### Ways to be Involved in the Cleanup

Pre-Registration is required again this year. With an average of almost 500 participants each, required pre-registration helps Prescott Creeks get you to the creeks with what you need to make a difference as efficiently as possible.

**Required Pre-Registration is OPEN**

Many people are needed to *Help Behind the Scenes* before, during, and after the Cleanup. It's a great way to be involved for those who aren't so keen to tromp around outside getting physical.

## **Volunteers Needed - Dates Announced for Spring 2026 IBA Bird Surveys in Watson Woods Riparian Preserve**

By Leslie Loomis

Hello birders! Prescott Creeks continues its collaboration with [Prescott Audubon Society](#)--our spring survey dates have been set for **Sunday, May 3** and **Sunday, May 17**, both at 7 am. We will count birds in three transects on the Preserve, with a maximum of four people on each of the three teams. You need to be comfortable walking off trail on uneven ground and have your own binoculars. Last Fall, we had a waiting list for both surveys, so sign up soon! Fill out the IBA Survey Interest Form at <https://prescottcreeks.org/iba/> or email me at [IBA@PrescottCreeks.org](mailto:IBA@PrescottCreeks.org) if you have any questions.
